July 2020

Dear Parents

## MANAGEMENT OF ASTHMA IN SCHOOL

We have a Pupil Asthma Register in school. If this is applicable to your child would you please complete and return the school asthma form (below)

### ASTHMA - EMERGENCY RELIEVER INHALER

There will be an emergency reliever inhaler kept in school. This is for use by any child with asthma if they have an attack at school but do not have their own emergency inhaler with them. This emergency reliever inhaler has been made available on the advice of consultant paediatricians.

If you wish your child to have this emergency facility available to him/her, please complete the second section of the slip below and return to school.

Yours sincerely

*S Webster-Smith*
